

HYDROKWIP BF SERIES

LIMITED DOMESTIC FILTER WARRANTY

HydroKwip BF series filters are covered by a limited 10 year warranty against defects in materials and workmanship from the date of purchase plus 30 days allowance for installation and warranty registration. Warranty is subject to the conditions and limitations herein stated. Warranty is registered in the name of and for the sole benefit of the original equipment purchaser.

Filter tank: 10 years

Multi-port valve, pressure gauge and tank laterals: 12 months parts replacement only.

WARRANTY CONDITIONS

All warranty claims must be substantiated by proof of purchase or warranty registration.

Compu Pool Products must be notified of any claim within the warranty period and Compu Pool Products reserves the right to determine such warranty at its discretion.

All claims will be limited to the cost of repair or replacement of the defective part.

Warranty does not cover any condition or failure brought about by misuse, abuse, incorrect installation, accidental or storm damage or any other condition outside that herein stated.

Note: Maximum operating pressure for HydroKwip filters is 140 KPA.

INFIELD WARRANTY SERVICE

In field labour charges will be covered within metropolitan city areas or within a 20km radius of an authorized HydroKwip dealer for a period not exceeding one year from date of purchase plus 30 days allowance for installation and warranty registration. Thereafter, infield service charges may apply. Warranty services provided outside of the specified warranty zone may also incur travelling charges.

Please note: Filter media is not covered under this warranty.

COMMERCIAL INSTALLATIONS

Where Hydrokwp filters are used for commercial purposes and not for domestic use, then this warranty will cover parts and labour only for a maximum of 6 months from date of sale. Warranty does not cover replacement of filter media or consequential damage of any kind.
